Terms of use

The test instrument is a research instrument that serves research, teaching and practice. It is made available online and free of charge by the test archive and is protected by copyright, i.e. the copyright remains with the author(s). By using this test, I agree to abide by the terms of the [Creative Commons License CC BY-SA 4.0](#). After completion of my work with the measure, I will inform the test authors about the use of the measure and the results I have obtained by means of the [feedback form](#).

Personal Globe Inventory - Activities

Please look at the following list of activities and respond to each TWICE. Once regarding how much you LIKE the activity and once regarding your ABILITY or COMPETENCE to do the activity. Use the scales listed below to rate Liking and Ability.

<u>LIKING</u>						
Strongly Dislike				Neutral		Strongly Like
1	2	3	4	5	6	7

<u>COMPETENCE</u>						
Unable to do				Moderately Competent		Very Competent
1	2	3	4	5	6	7

Liking Competence
